

What to bring on your Charter North Experience

In order to assist you in preparing for your approaching Safari Experience, we have put together a list of considerations:

Recommended day clothing: Long sleeved collard cotton shirts & broad brimmed hat (sun protection), loose fitting shorts (cotton or boardies), sunglasses, cross trainers or similar to handle the terrain.

Night gear: Fresh shirt, sweater (for cooler months only- May, June, July, and August), track pants, jeans or comfortable long trousers, comfortable closed footwear (absolutely no open footwear around camp please).

And: Swimming gear, sarong, travel towel, toiletries, sunscreen, insect repellent, moisturiser, lip balm, any personal medical supplies required.

- ✓ 1x each soft overnight travel bag limited to 15kg (avoid bag sharing for handling purposes)
- ✓ 1x each small day pack for hikes
- ✓ 1x each torch/ flashlight (headlamps are perfect) for camping tours
- ✓ 1x each 1.5 litre minimum refillable water bottle
- ✓ Data storage and battery power for your camera
- ✓ Any alcoholic or other personal preference drinks to be purchased pre departure
- ✓ Cash and credit card for any desired purchases while on tour
- ✓ Common sense and a sense of humour are appreciated

Kimberley Tours only: Reef shoes, sandals or any extra pair of trainers that are submersible.

Notes:

- There is one USB charging point in our vehicle (available at intervals)
- Please don't rely on 240v power outlets while on tour (camping tours)
- We provide enough potable water for drinking and refilling
- It is mostly not possible to purchase alcohol after tour departure
- We have ample cool storage for keeping your drinks and medicals cool
